### **Report on the Financial Statements**

We have audited the accompanying financial statements of Caritas of Austin, which comprise the statements of financial position as of September 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Caritas of Austin as of September 30, 2016 and 2015, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2016, on our consideration of Caritas of Austin's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Caritas of Austin's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2016 and 2015**

**1. ORGANIZATION**

Caritas of Austin (Caritas), a nonprofit organization incorporated in 1977, was founded in 1964 with the vision that all people deserve to have their basic needs met. Today Caritas of Austin intersects with thousands of people who are experiencing poverty and homelessness. Services focused on housing, food, education, and employment enable people to move toward stability and self-sufficiency. The following is an overview of Caritas' programs:

**Best Single Source Plus (BSS Plus)** program is a collaboration among thirteen of the Austin and Travis County area's leading nonprofit service providers, trading competition for collaboration to benefit those most in need. Participating agencies include: Aids Services of Austin, Any Baby Can, The Arc of the Capital Area, Caritas of Austin, Catholic Charities of Central Texas, Family Eldercare, Foundation for the Homeless, Front Steps, Goodwill Industries of Central Texas, Meals on Wheels and More, Safeplace, Salvation Army, and The Wright House Wellness Center. The BSS Plus program provides comprehensive case management and basic needs (rent, mortgage, utility assistance and housing supports) and services to eligible individuals and families in the Travis County and Austin area. The program's primary purpose is establishing housing stability, preventing, and ending homelessness. Caritas of Austin is the fiscal and administrative agent for BSS Plus and houses a dedicated Program Coordinator for the project.

**Resettlement services** for documented refugees begins with their arrival in Austin and includes housing, cultural orientation, employment assistance, and connection to other community resources. The goal of these services is to help refugees transition to life in the United States and achieve self-sufficiency within their first six months of arrival. Refugees served are approved for resettlement by the United States government.

**Supportive Housing** programs provide permanent housing and onsite supportive services for individuals who have experienced long-term homelessness and who are recovering from the trauma they have experienced while being homeless.

**Employment Services** program provides clients opportunities to find and keep jobs in order to support themselves and their families. Clients receive assistance with short-term job placement as well as long-term career development. Services include: pre-employment preparation such as job readiness training, vocational certification, ESL classes, and assistance with professional recertification; referral and placement; work authorization; logistical support; new hire paperwork assistance; and post-hire support.

**Other program support** includes classes for highly trained volunteers that mentor persons experiencing poverty and newly-arrived documented refugees as these persons move from crisis-driven lives to stable, self-sufficient lives. It also includes program eligibility screening, scheduling appointments with program staff, and referring individuals to community resources.

**1. ORGANIZATION - CONTINUED**

**Food services** consist of the Caritas Community Kitchen and Food Pantry. Each weekday the Caritas Community Kitchen serves a hot, nutritious lunch to over 300 people, no questions asked. The Food Pantry provides groceries and hygiene items to individuals and families already receiving services from Caritas of Austin.

**The Supportive Services for Veteran Families** program is designed to increase housing stability for veteran families that are at-risk of homelessness or experiencing homelessness. Supportive services include outreach, case management, help in obtaining VA benefits, emergency financial assistance, and assistance obtaining and coordinating other public benefits.

**Education** classes provide clients with opportunities to enrich their lives and support their path to self-sufficiency. The program takes a holistic approach by teaching the participants the tools they will need to achieve their personal and financial goals. Caritas' education classes focus on three areas: life skills, money management, and workforce development.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation** - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP) as defined by the Financial Accounting Standards Board Accounting Standards Codification.

**Classification of Net Assets** - The financial statements report information regarding Caritas' financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Caritas and changes therein are classified as follows:

Unrestricted net assets - Net assets not subject to donor-imposed stipulations. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met by actions of Caritas and/or the passage of time or the occurrence of a specific event.

Permanently restricted net assets - Net assets whose amounts are not currently available for use in the operations of Caritas and whose limitations neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Caritas. There were no permanently restricted net assets at September 30, 2016 and 2015.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

**Use of Estimates** - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**Cash and Cash Equivalents** - Cash equivalents are considered to be investments purchased with original maturities of three months or less.

**Property and Equipment** - Property and equipment valued at \$1,000 or greater are recorded at cost when purchased. Donated property and equipment is recorded at the fair market value as of the date of the gift. Acquisitions valued at less than \$1,000 are expensed. Depreciation is calculated on the straight-line basis over the estimated useful lives of the assets, generally 5 years for furniture and fixtures and 39 years for buildings. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in operations for the current period. The cost of maintenance and repairs is charged to operations as incurred; significant renewals and betterments are capitalized.

**Board Designated Net Assets** - As of September 30, 2016 and 2015, Caritas' Board of Directors designated unrestricted net assets in the amount \$281,376 and \$180,502, respectively, to acquire, expand, equip, maintain, repair, or enhance the physical property or building systems located at 611 Neches and for the purchase reserve of Caritas North facility.

**Government Grant Revenue** - Caritas considers all government grants and contracts to be exchange contracts and not contributions. Caritas recognizes revenue from these transactions as services are rendered and expenses are incurred. Caritas uses the allowance method to determine uncollectible receivables. The allowance is based on prior years' experience and management's analysis of accounts. There is no allowance for uncollectible grant receivables at September 30, 2016 and 2015, respectively.

**Contribution Revenue** - Contributions received including unconditional promises to give are recorded as unrestricted, temporarily restricted or permanently restricted support in the period pledged depending on the existence and nature of any donor restrictions. Contributions received with donor-imposed restrictions that are satisfied in the same reporting period are reported as temporarily restricted revenue and released from restrictions. Conditional promises to give are recognized when the conditions on which they are dependent are substantially met. Caritas uses the allowance method to determine uncollectible unconditional pledges receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. There is an allowance for uncollectible pledges of \$3,000 and \$0, at September 30, 2016 and 2015, respectively.

**Donated Services and Materials** - Donated services and materials are reflected in the statement of activities as in-kind revenue at their fair value on the date of receipt. Donated services are recognized by Caritas if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

**Functional Allocation of Expenses** - The costs of providing Caritas' various programs and supporting services have been reported on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs benefited and supporting services based on estimates provided by management.

**Federal Income Tax Status** - Caritas is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, except for any unrelated business activities. The Organization is subject to routine examinations of its returns; however, there are no examinations currently in progress. The September 30, 2013, and subsequent tax years remain subject to examination by the Internal Revenue Service.

Caritas has adopted ASC 740-10, *Accounting for Uncertainty in Income Taxes*. That standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in financial statements. It also provided guidance for de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

**Subsequent Events** - Management of Caritas has evaluated subsequent events for disclosure through the date of the Independent Auditors' Report, the date the financial statements were available to be issued.

**5. ENDOWMENT FUNDS**

During the 2006 fiscal year, Caritas established the Caritas of Austin Endowment Fund (the Fund), a permanent endowment fund, at the Austin Community Foundation (the Foundation). The assets are irrevocably held by the Foundation and are managed to accomplish Caritas' designated charitable purpose. The Fund's assets are not recorded in the statement of financial position of Caritas as the Foundation reserves the power to modify any condition or restriction on the distributions from the Fund. The balance in the Fund as of September 30, 2016 and 2015, was \$113,005 and \$112,756, respectively. There were no transfers from Caritas to the Fund during the years ended September 30, 2016 and 2015.

Annually the Foundation's Board of Governors makes a determination of the amount to grant to Caritas, based on the Foundation's spending policy. The Foundation's current spending policy is that five percent of the Fund's value as of December 31 each year shall be the available for distribution in the following year. Such distribution will be available to Caritas pursuant to a letter of instruction from Caritas, but subject to the Foundation's Board of Governors approval. If the amount available to grant is not distributed in a single year, any remaining balance available to grant will carry over to subsequent years. During the years ended September 30, 2016 and 2015, the Fund provided \$7,900 and \$6,000, respectively, in grant revenue to Caritas.

**6. TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets were restricted for the following purposes at September 30:

**7. DONATED SERVICES AND MATERIALS**

Donated services and materials that have been recognized and reported as in-kind revenue in the financial statements consisted of the following at September 30:

	2016	2015
Donated materials	\$ 205,733	\$ 163,027
Donated services	155,642	117,357
	\$ 361,375	\$ 280,384

Donated materials included clothing, food, and household assistance. Donated services included office rent, bus passes, and instructional services provided to various programs. Additional donated services to various programs were received by Caritas but did not meet the criteria for recognition in the financial statements.

**8. CONTINGENCIES**

Caritas receives government grants for specific purposes that are subject to review and audit by government agencies. Such audits could result in a request for reimbursement for expenditures disallowed under terms and conditions of the appropriate agency. In the opinion of Caritas' management, such disallowances, if any, would not be significant.

Caritas also has rental agreements with area apartment complexes for placement of those in need of housing assistance. As of September 30, 2016, Caritas is contingently liable for rental payments of approximately \$138,032. This contingency will be covered by using grant funds for housing assistance.

**9. CONCENTRATIONS**

Financial instruments that potentially subject Caritas to credit risk consist of cash and cash equivalents and receivables. Caritas places its cash and cash equivalents with a limited number of high quality financial institutions and at times may exceed the amount of insurance provided on such deposits. At September 30, 2016, Caritas held \$323,969 in deposits in excess of FDIC insurance coverage. Management believes no significant risk exists with respect to cash and cash equivalents. Caritas does not maintain collateral for its receivables and does not believe significant risk exists at September 30, 2016 and 2015.

For the year ended September 30, 2016, Caritas received grant funding from three government entities which, combined, accounted for 49% of grant revenue and 64% grants receivable. For the year ended September 30, 2015, Caritas received grant funding from three government entities which, combined, accounted for 49% of total revenue and 47% grants receivable.

<u>Year Ending</u>	
2017	\$ 78,672
2018	80,544
2019	82,416
2020	27,680
Total	<u>\$ 269,312</u>

**11. RELATED PARTY TRANSACTIONS**

Certain members of the Board of Directors of Caritas contributed \$95,177 and \$89,130 to Caritas during the years ended September 30, 2016 and 2015, respectively. Caritas disbursed \$0 and \$145,157 for services from vendors owned by members of the Board of Directors during the years ended September 30, 2016 and 2015, respectively.

**12. RETIREMENT PLAN**

Caritas maintains a 401(k) retirement plan that allows employee elective deferrals up to the maximum amount allowed by law. Participants may make a separate election to defer up to 90% of any bonus compensation. Caritas makes matching contributions equal to 50% of the participant's elective deferrals up to 6% of a participants compensation. Caritas made matching contributions of \$31,927 and \$35,047 for the years ended September 30, 2016 and 2015, respectively.

**13. LINE OF CREDIT**

At September 30, 2016, Caritas has available a line of credit with a financial institution. Maximum borrowings available under this line of credit are \$300,000. Interest on the line is based on the prime rate published in the Wall Street Journal in the "Money Rates" section plus 0.750% (4.25% at September 30, 2016). The line matures on September 2, 2017. There have been no draws on the line of credit as of September 30, 2016.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
Caritas of Austin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Caritas of Austin, which comprise the statement of financial position as of September 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 27, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Caritas of Austin's internal controls over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Caritas of Austin's internal control. Accordingly, we do not express an opinion on the effectiveness of Caritas of Austin's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Caritas of Austin's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matter that is required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON  
INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF  
EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE  
(INCLUDES REPORTING ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS)

Board of Directors  
Caritas of Austin

**Report on Compliance for Each Major Federal Program**

We have audited Caritas of Austin's, a non-profit organization, compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Caritas of Austin's major federal programs for the year ended September 30, 2016. Caritas of Austin's major federal programs are identified in the summary of auditors' results section of the accompanying *Schedule of Findings and Questioned Costs*.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the compliance for each of Caritas of Austin's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits are contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Caritas of Austin's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Caritas of Austin's compliance.

## **Opinion on Each Major Federal Program**

In our opinion Caritas of Austin complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2016.

## **Report on Internal Control Over Compliance**

Management of Caritas of Austin is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Caritas of Austin's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Caritas of Austin's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
